At 1776 we are proud to be an independently-owned Steakhouse. We are extremely passionate about our beef! Juicy, tender and flavorful are the characteristics for which a cut of beef is esteemed. Our custom aging process ensures that our hand selected beef sets an industry standard for quality and center of the plate presentation every time. Enjoy…with our highest recommendations!

All of our Steakhouse entrées are served with our chef's starch and vegetable selection of the evening.
